We want to reward you

At Bernie Lewis Home Loans we want to reward our valuable clients who reward us. By referring business to us or by taking out a subsequent loan with us, you could earn reward certificates which can be redeemed for gift vouchers. Of course, the more referrals and loans, the more reward certificates you can collect and the higher the value of your gift voucher. You only need two reward certificates to start rewarding yourself.

How the reward program works

After settlement of each loan you refer, or each subsequent loan you take out with us, your Accredited Mortgage Consultant will provide you with a reward certificate. You can redeem your reward certificates after you have collected only two, or you can collect as many as you can to earn a higher valued gift voucher. For example, six reward certificates will give you a \$300 gift voucher, and twelve reward certificates will give you a \$1000 gift voucher from a major retail outlet of your choice*.

Why refer your family and friends to us?

We sincerely trust that your experience with Bernie Lewis Home Loans is enough to want to tell your family and friends. No matter what their situation may be, we would like to think that we can help them in some way. Whether they are looking to buy a first home, subsequent home, investment property or business, or even if they're looking to refinance or consolidate some debts to reduce repayments, we are sure to have a solution for them. Even if they have a low income, bad credit history, or simply don't think they fit the home loan criteria, we can help.
